PASTOR'S PONDERINGS

There will be crowds in the parish office this week. It is time for our annual "party," in which people come in to schedule Mass intentions for this coming year. This year, I realize, there are questions over the whole process. With *On Mission for the Church Alive* going on in the diocese, people may be asking what changes we can expect. This seems like a good time to review, particularly in regard to Mass intentions.

First of all, let me offer a brief word about intentions. Many people still take the attitude that if I request a particular Mass to be "offered for" a loved one, then this is "my" Mass. Strictly speaking, every Mass is offered for the good of the entire Church and belongs to all of us. But we ask the priest to include prayers for a particular need, usually for someone who has died. When a priest is concelebrating at a given Mass, as Fr. Russell generally does on weekday mornings, then there are two intentions being offered – mine and his.

With all of that in mind, we know that next spring Bishop Zubik is going to announce the final "groupings" for *On Mission*. Although it could change, it looks like we will be grouped with St. John of God and St. Philip. At that time, the bishop will announce what priests will be assigned. One priest will be assigned as administrator of all three parishes, and he and any Parochial Vicars assigned here will work with the current pastors to prepare for the transition. Sometime around this point next year, the new teams will move in and will have a given period of time (also to be announced) to complete the merger. At that point, there will need to be a new Mass schedule, which will obviously affect Mass intentions.

Bishop Zubik wants us to continue to provide for the ordinary pastoral needs of the faithful. Yet we have to remember the possible changes in schedule. So please keep several points in mind. First of all, there will be no change in schedule in the first part of next year. If you schedule an intention for a Mass up through August, there should be no changes.

All intentions scheduled after September will still be satisfied. But please keep in mind that the date or time you choose may have to change. If that is necessary, we will make every effort to reschedule the intention as close to the originally requested date as possible. Of course, it may just be a change in time on the same day. It is also possible that an intention may have to move to one of the other churches in our grouping, though we will make an effort not to do that.

There is one more possibility that Canon Law does not ordinarily permit. The bishop of a diocese can allow, under special circumstances, for a priest to offer more than one intention at the same Mass. Bishop Zubik has told us that he will grant that permission where there is a need. Thus we can tell you that all the intentions will be satisfied, and we ask you understanding if there may have to be a change in date, time or place, or if there may be more than one intention at any given Mass.

Father H

MASS SCHEDULING FOR 2018

The scheduling of mass intentions for the year of 2018 will take place on **Monday, September 11** and **Tuesday, September 12** from **6:00 to 8:30 p.m.** With over 2,500 families and only 365 days in a year scheduling will be done on a first-come first-served basis. You may request three (3) Masses, including only one weekend Mass. Any Masses beyond the three will go into the backlog book and will be satisfied by concelebrating priests. If a date is unavailable, the nearest date will be scheduled. The stipend for each Mass is \$10. Thank you for your continued cooperation.

SPEAKER SERIES

Come join us for our first 2017-2018 Speaker Series event on **September 19** at **7:00 p.m.** in the Church. Mike Aquilina will speak about "Walking with the Angels." Learn about Catholic devotion to the angels in light of Scripture. Refreshment will follow with opportunity for fellowship. We hope to see you there!

ON MISSION FOR THE CHURCH ALIVE!

Where Two or Three Are Gathered— The goal of On Mission for The Church Alive! Is to build up and strengthen the Body of Christ, the Church in

Pittsburgh. While this process involves many aspects, including studying how our parishes are structured, fundamentally it is about fostering relationships rooted in faith and love. We are all beloved children of God and heirs to his Kingdom. We cannot forget this as throughout the coming months and years we get to know even more of our brothers and sisters in Christ. While we are anxious about what we might lose, we must be confident about what we will be able to gain as we grow together. “For where two or three are gathered in [Jesus’] name, there [he] is in the midst of them.” Visit onmissionchurchalive.org to learn more about it and to stay informed.
