PASTOR'S PONDERINGS

I wonder how many people remember the Pittsburgh Triangles. In the 1970s, during the "tennis boom" that got many of us buying rackets and learning how to play, there was an attempt to make tennis a team sport so that fans in various cities could have an attachment to their tennis teams similar to their attachment to their baseball or football teams. The Triangles were Pittsburgh's entry in World Team Tennis from 1974 to 1976, winning the championship in 1975. One day the Triangles held a tennis clinic for anyone who wanted to show up, complete with an opportunity to meet the players. I took my racket cover with me and got autographs from all the players, including Vitas Gerulaitis, Mark Cox, Peggy Michel and the biggest star, Evonne Goolagong. Oh, yes, I also got an autograph of Rayni Fox. She was nowhere near being the star of the team, but she was not that much older than me, and I had something of a crush on her.

I have not had that racket cover in years, and even when I did have it, the autographs were starting to fade. Someone had suggested coating the signatures with clear nail polish to preserve them, but even at that they were becoming less legible. As collectors will comment, "Father Time is undefeated."

Lately I have had another reason to remember that good things do not always last. In the summer of 1991, I had surgery to repair a hernia on my left side. At the time, the surgeon told me that I also had a hernia on my right side. I thought of getting that one taken care of the following year, but my mother's death in 1992 meant that I put it off. It started bothering me a few years later, and I had it repaired in 2000. At the time of my 1991 surgery, the doctor warned me that this type of repair does not always last and that I would probably someday need another repair. Someday has arrived. Early last summer I began to feel the old discomfort.

This Tuesday I will be in for another repair. On the one hand, the doctor tells me that surgical methods have gotten much better for hernias and that recovery time is shorter than before. On the other hand, I'm older than I was the first time, which could make the recuperation take a little longer. In any event, I plan on taking the time I need over the next few days. I hope to pay attention to my body. So if you call for any purpose and I am not available, please try to understand. I hope to get up and get going to some extent, but I also plan on doing some reading streaming some movies and catching up on some rest.

I hope to be feeling up to normal action by the end of the week, but it took just a little longer than that last time. I have Fr. Michael coming in to take the school Mass for me this week and to take one of the Masses next Sunday. And even when you see me in church, I may be moving a little more slowly. I suspect that I may be bowing instead of genuflecting for a few days as well. And I may have to avoid lifting things for a time.

When the doctor told me that recuperation is easier, he also told me that the newer surgeries last longer than before. I'm hoping that I won't have to repeat this surgery. Of course I still have the right side that I may have to deal with again someday. But for now, I'm looking forward to getting everything inside me back to where it should be.

CONTRIBUTION STATEMENTS

We are currently mailing all parishioners a statement of contributions made to St. Malachy Parish in 2017. In addition to being a help for tax preparation, these statements can offer an opportunity to review your support for the church. Please remember that St. Malachy has to deal with rising prices the same as anyone else. In addition, this may be an opportunity for people to consider electronic giving. As with many bills that people pay on-line, electronic giving is a safe and convenient way to donate to the parish. It simplifies our lives in that our church envelope is now not an item to have to remember. For more information, call the rectory during business hours or go to the parish website at www.stmalachypgh.org and click on Stewardship. If you do not receive a statement by February 1 please contact the parish office. Thank you for your support.

WORLD DAY FOR CONSECRATED LIFE

World Day for Consecrated Life will be celebrated in the worldwide Church on Thursday, February 1 and in parishes on the weekend of February 3-4. Please pray for all those who have made commitments in the consecrated life, and be sure to thank them on their special day. May they continue to be inspired by Jesus Christ and respond generously to God's gift of their vocation.

PERPETUAL VOTIVE CANDLE

In ringing in the new year the votive candle roster of names will be updated. Candles will not be lit unless the office is notified of your intentions. Candles are \$3 a piece or \$150 for the year. Thank you!

CARING HEIGHTS

Thank you for all of the wonderful donations you have made in the past for the Caring Heights Bingo. Gloria Sabat and the residents are extremely grateful for all of the donations. Please continue to help Gloria bring enjoyment to the residents by dropping off your small items, particularly jewelry, small to medium sized stuffed animals, and candy. Please use the box designated in the narthex of the church.

MASS INTENTIONS BACK LOG BOOK

During the weekday Mass there may be additional priests concelebrating. There is no promised date for this Mass. The given date will be posted in the bulletin after the Mass has been offered. The offering for this Mass is \$10. Contact the parish office to schedule.

PRAYER FOR LIFE

O Mary, bright dawn of the new world, Mother of the living, to you do we entrust the cause of life: Look down, O Mother, upon the vast number of babies not allowed to be born, of the poor whose lives are made difficult, of men and women who are victims of brutal violence, of the elderly and the sick killed by indifference or out of misguided mercy. Grant that all who believe in your Son may proclaim the Gospel of life with honesty and love to the people of our time. Obtain for them the grace to accept that Gospel as a gift ever new, the joy of celebrating it with gratitude throughout their lives and the courage to bear witness to it resolutely, in order to build, together with all people of good will, the civilization of truth and love, to the praise and glory of God, the Creator and lover of life. Amen.

PRESCHOOL NEWS

Happy New Year! 2017 sure went by fast. We are excited about the beginning of a new year in the Preschool classroom.

The four year old students are continuing to learn the letters of the alphabet. The letters are taught with the help of a reading readiness program called "Let's Begin with the Letter People." Each letter is taught with the help of a friend from Letter Land. We just met Mr. M who introduced his letter and taught the students about healthy foods to munch with their mouths. The students love this program!

The four year old students will be having a mid-year assessment for parent/teacher conferences in February. One of our goals with the students at this age is to make sure they are ready for their transition into Kindergarten.

The three year old students are finishing a unit on shapes. Their next units will focus on Nursery Rhymes and Health/Safety.

Keep an eye on the Preschool hallway to see the art projects this month. They focus on the season of winter and Valentine's Day. We will be reading stories about cold weather and animals that hibernate.

Our goal is to provide an experience at Preschool where the students can gain confidence and grow both socially and emotionally. If you are interested in learning more about the Preschool program please contact the school office for information or to schedule a tour.
