ST. MALACHY PRAY FOR US!

REMEMBER ST. MALACHY IN YOUR WILL!

PASTOR'S PONDERINGS

A woman was in the store with her two children. The mother was buying something that the older child needed. The younger child asked, "Is that for me? Can I have one, too?" Children often want what their siblings have. Sometimes it is not appropriate for each to have the same thing, but sometimes it is.

The season of Lent is something like that. Lent was not originally intended for all of us. This season was originally preparation for the catechumens, the adults preparing to enter the Church through baptism at the Easter Vigil. Today, we use the RCIA to prepare catechumens for baptism, to prepare those who are baptized in other Christian communities to enter the Church, and to prepare those who are baptized Catholic but who were never further catechized to complete their initiation. Those taking part in the RCIA in our parish have been meeting on Monday evenings since the fall. On the first night, I told those taking part that I would be giving them the teaching of the Church to help them understand what we believe. But I also said that our main goal was not so much to give them an academic understanding as to help them fall in love with Christ.

With that end in mind, the Church devised a special time for the catechumens to prepare for their baptism. As Christ fasted for forty days in the desert, so the Church arranged a forty-day fast period for those preparing to enter the Church. The fasting was not meant to be a punishment. It was intended as a way for them to put Christ first in their lives. So the period of Lent provided an opportunity for the catechumens to grow in the love of Christ. And that is when the rest of the Church said, "Hey, what about us?" Those who were already in the Church wanted to share the time of Lent so that they, too, could experience a growth in the love of Christ.

So my special request for everyone today is to ask you to pray especially for those preparing to enter the Church at the Easter Vigil. As they enter into a new relationship with Christ, they are (despite the months of preparation) going to have an adjustment. They are going to have many questions as they move forward. At the same time, they have an excitement that comes with beginning a new adventure and entering into a new relationship. I am often inspired by those who come to the faith as adults. Their excitement often reminds me that, like most cradle Catholics, I sometimes take my faith for granted. When I see the excitement of a neophyte, a new member of the Catholic family, it reminds me of what a great gift we have. At times like that, I feel like the small child who asks his mother, "What about me? Can I have one?"

And that brings us back to our season of Lent. With just a couple of weeks left, we may be running out of steam. We may have struggle with our Lenten observances, or we may have forgotten them altogether. If we make a special effort to pray for the RCIA and those coming into the Church, we can renew our own faith. Lent may always be something of a challenge, but it can become an exciting time for us as well.

ON MISSION FOR THE CHURCH ALIVE!

We Would Like to See Jesus

- To see Jesus is our ultimate goal in life. Yes, there are many ways that Jesus shows himself to us - in the Eucharist and the other sacraments, in the hearts of those who love and serve in his name - but to meet him in heaven is what we desire most. Each day, not just during Lent, we should seek to follow the path that leads to him by living virtuous lives and drawing near to God in prayer. Yet, we know that we can't do this alone. In fact, it is the Church that Christ himself established that is to be our support on this journey through life to the glory of heaven. As the Church of Pittsburgh is *On Mission for The Church Alive!* We pray that this initiative will result in a stronger, more vibrant Church. And while we may wonder if that will mean a difference in our lives, we should be assured that it will! A stronger local Church means that we will be better supported on our journey with Jesus to eternal life. Whether it's inspiring celebrations of the sacraments or ministries that provide for the spiritual and temporal needs of all, a stronger Church will allow us to see Jesus more clearly in our midst and will give us greater hope as we prepare to see him in heaven. Visit onmissionchurchalive.org to learn more and to stay informed.
